## SHOW & SALE

### 56TH ANNUAL POWERHOUSE HEREFORD & HEREFORD INFLUENCE COMMERCIAL SHOW & SALE

#### **Bud Brainard Estate - Pampa, TX**

##### **10 Purebred Hereford Open Heifers**

Brainard Cattle Co. has been a closed herd for over 100 years with no outside females coming into the breeding program. The genetics represented in the set of open heifers consists of herd bulls purchased from the following programs: B&C Cattle Co., C-K Cattle, Copeland & Sons Herefords and Indian Mound Ranch.

**Heifers were born February - April of 2025 and were weaned in October of 2025. The heifers have been Calfhood Vaccinated.**

**Swayze Brainard (806) 898-1026**

#### **Flying 5 Herefords - Hart, TX**

##### **10 Black Baldy Fall Bred Heifers**

Flying 5 Herefords has assembled an elite set of Black Baldy Fall Bred heifers for your appraisal. Stout design with added look and maternal excellence. Flying 5 Herefords works diligently at producing elite females and this set certainly exemplifies that. Females of this stature are hard to find. Take advantage of the quality replacement females Flying 5 Herefords has brought to Fort Worth.

**Heifers were born September - November of 2025. The heifers have been Calfhood Vaccinated. PE from 12/1/25 to 1/27/26 to an RA Brown calving-ease Angus bull.**

**Steve Whitaker (806) 774-7598**

#### **Rose Herefords - Olton, TX**

##### **10 Purebred Hereford Open Heifers**

A very attractive set of Purebred Open Hereford heifers that have added bone and hip. This set of females stems from a very productive cow herd and will make top-end replacement females. This set of heifers is sired by herd bulls from Mann Cattle Co. in Texas. Heifers were weaned in November and will be ready for service this spring.

**Heifers can be registered at the buyer's expense. Born March - April of 2024. The heifers have been Calfhood Vaccinated.**

**Steve Rose (806) 774-3031**

#### **Rosson Ranches - Milford, TX**

##### **10 Black Baldy Open Heifers**

Rosson Ranches is bringing a powerful set of Black Baldy Yearling Open Heifers that will be tremendous replacement females. This set of females stems from genetics acquired from Barber Ranch and GKB Cattle. Black Baldy females are in high demand. Take advantage of the opportunity to inject this set of females into your program.

**The heifers were born Spring 2025. The heifers have been Calfhood Vaccinated.**

**E.C. Rosson (817) 992-3152**

#### **W4 Ranch - Morgan, TX**

##### **10 Registered Hereford Heavy Bred Spring Heifers**

W4 Ranch is one of the elite Hereford breeding programs in the country, holding two Annual bull and female sales each year, one in October and one in April. This set of heavy bred heifers are the front-pasture kind and will make tremendous momma cows. They should start calving mid-February, with several starting to bag up at sale time. An elite set of genetics that are a highlight each year.

**This set of heifers sells with registration papers. The heifers have been Calfhood Vaccinated. Sell bred 8 months to calving-ease Angus bulls that were produced in the Buford Ranches program.**

**Jeff Chaffin (254) 396-2785**
